

# Dienst

**STATUS: VALID**

Mit dem Tool Umfrage kannst Du plattformunabhängig mit mehreren Personen einen Termin abstimmen. Egal ob es um das nächste Treffen mit der Studiengruppe geht oder um das nächste Team-Meeting, immer wenn sich mehr als zwei Leute treffen, ist die Terminabsprache schwierig. Die Tools-Umfrage macht dir die Terminfindung sehr einfach.

**Die selbständige Registrierung ist aus Sicherheitsgründen nicht gestattet. Eine Account-Einladung kann unter [Sylencer-Service-Desk](#) beantragt werden.**

## Getting started

**Das Tool ist relativ selbsterklärend und intuitiv, daher fällt dieser Bereich nicht sehr detailliert aus.**
